Mental Health

Mental health and well-being support with a professional counselor by phone or video. The number of sessions will be dependent upon the nature of the issue and will be clinically appropriate as determined by the counselor.

Master-Degreed Professionals

Our Master-degreed professionals will use telephone assessments utilizing evidence-based evaluation tools, short-term problem resolution, and referral and crisis intervention.

24/7 Assistance when you need it most!

Call centers are available 24/7 to assist with intake information, and advise on how to schedule your appointment with a counselor.

“Clinical depression has become one of America's most costly illnesses. Left untreated, depression is as costly as heart disease to the US economy, costing over \$51 billion in absenteeism from work and lost productivity and \$26 billion in direct treatment costs.”

TelMedicine Cares About You and Your Pets. Because Pets are Family, too!

WE'RE REVOLUTIONIZING VIRTUAL VET CARE!

In 1988, 56% of US households had pets. Today that number has soared to 67% - 85 million families with 184 million furry friends. People now perceive their animals as beloved family members - Pet Parents have arrived. Last year, these Pet Parents spent an all-time high of \$29 Billion on vet care and product sales alone! One in three vet visits were expensive trips to the ER with an average cost of \$800 - 1500. That's why Telmedicine created a paws-itively revolutionizing virtual veterinary service!

Telmedicine gives 24/7/365 days a year unlimited access to a dedicated team of licensed Veterinarians. The consultation is a realtime phone or video call via your mobile device or computer, and enables you to ask questions, get a second opinion, understand if you need to take your pet to the vet or ER, discuss behavioral issues, training, and wellness.

Anytime, Anywhere, our Vets are Here For You!

- **Covers all pets in your home**
- **Paws-itively convenient and affordable**
- **Once the consult has been scheduled, the vet will bark at you within the hour**
- **Includes Pet Drug Savings Card with prescription discounts up to 75% at 68,000 participating pharmacies.**

Get Treatment. Save Vacation Days!

This benefit provides professional assistance to help ensure the successful management of personal challenges. Members and their families can speak with a professional counselor via phone or video. The amount of counseling sessions will be clinically appropriate for the issue treated. This program is for short-term problem resolution, referral, and crisis intervention services. Common reasons for service include stress, depression, substance abuse, workplace issues, and more.

As the pandemic continues, mental health has become an even faster-growing crisis. Before COVID-19, the prevalence of mental illness had been steadily increasing to 1 in 4 adults.
